

Sumitomo Electric Europe Ltd

September 2018

Statement on obligations under UK Waste Batteries & Accumulators Regulations 2009.

As a producer of industrial batteries under the Waste Batteries and Accumulators Regulations 2009, we Sumitomo Electric Europe Ltd produce Lithium-ion batteries. We are obliged to take back free of charge, waste industrial batteries supplied to an end user for treatment and recycling. We are required to do this in any calendar year we place new industrial batteries on the market. If any of our customers or in certain cases other end users, require us to take back Industrial batteries, they should contact us at Sumitomo Electric Europe Ltd, 220 Centennial Park, Elstree WD6 3SL, service@sumielectric.com, 020 8953 8118 and press '1' for Service Centre. We will agree the necessary arrangements for the return, proper treatment and recycling of the waste industrial batteries.
